March 10, 2004

SUMMARY OF BILL: Limits a court's discretion in custody matters by revising current law and requiring the court to order joint custody or sole custody when the parents agree. Increase State Expenditures - Exceeds \$100,000 One-Time

Other Fiscal Impact:

Increase Federal Expenditures - Exceeds \$200,000 One-Time

This bill would impact the tracking and monitoring of child support payments by the Department of Human Services. The current management information system would require significant changes to monitor custody shared equally by two parents. The amount cannot be determined but is estimated to exceed \$300,000.
